

Screenshot of Test.java

The screenshot shows an IDE window with two panes. The top pane displays the source code of `Test.java`, and the bottom pane shows the console output.

Test.java Source Code:

```
3 public static void main(String[] args) {  
4     // TODO Auto-generated method stub  
5     GeometricObject gObjectArray [] = new GeometricObject [5];  
6  
7     gObjectArray[0] = new Circle(5,5,5);  
8     gObjectArray[1] = new EquilateralTriangle(5);  
9     gObjectArray[2] = new Triangle(5,5,5);  
10    gObjectArray[3] = new Rectangle(5,5);  
11    gObjectArray[4] = new Square(5);  
12 }
```

Console Output:
